- Built expertise in Adobe After Effects, Premiere Pro, Photoshop, and large-scale video production.
- Delivered thousands of creative assets while maintaining consistency across multiple educational programs.

 **Coding Ninjas** – delhi, India

Sr.Motion & Graphic Designer

[01/09/2022 – 01/04/2023]

- Led complex motion graphics projects while mentoring junior editors and designers.
- Improved editing workflows and production efficiency through standardized creative processes.
- Delivered high-quality motion graphics supporting Coding Ninjas' digital learning ecosystem.

 **Coding Ninjas** – delhi, India

Course Video Editing Manager

[01/04/2023 – 24/07/2024]

- Managed production, quality control, and delivery of 10,000+ educational video assets across multiple learning programs.
- Led a team responsible for editing workflows, quality assurance, and production planning.
- Built production SOPs that improved workflow consistency and delivery timelines.
- Coordinated with instructors, curriculum teams, and internal stakeholders to support successful course launches.
- Maintained branding, audio quality, visual standards, and platform compliance across all learning content.

 **Affle** – Gurugram, India

Assistant Manager

[25/07/2024 – 31/03/2025]

- Officially worked under Affle while supporting the mediasmart business vertical.
- Produced creative assets for branding, performance marketing, enterprise presentations, and international client communication.
- Collaborated across product, marketing, and sales teams to deliver business-focused visual communication aligned with global brand standards.

 **Patch up** – Gurugram, India

Manager Design

[05/09/2025 – 23/04/2026]

- Directed end-to-end creative operations for a Shark Tank-featured D2C wellness brand across Meta Ads, Amazon, Flipkart, website, CRM, and social media campaigns.
- Led creative strategy throughout the customer journey—from awareness and acquisition to retention and product launches.
- Developed performance-focused static and video creatives optimized for engagement, CTR, and conversion.
- Introduced AI-powered video production workflows using Runway, Kling, and Sora, significantly improving creative turnaround and content scalability.
- Managed designers and collaborated closely with founders, growth marketers, product teams, and performance marketing teams to deliver business-focused creative solutions.
- Established quality control systems and creative guidelines to ensure consistent brand communication across all customer touchpoints.

 **KC Globed** – Gurugram, India

KC Globed — Manager Design & Video

[22/06/2026 – Current]

- Lead the Graphic Design and Video team responsible for performance marketing, brand campaigns, and digital content production.
- Define creative strategy across Meta Ads, social media, website, and brand communication.
- Collaborate with marketing, product, and leadership teams to transform business objectives into high performing creative campaigns.
- Build scalable creative workflows using AI-powered tools to improve production speed while maintaining design quality.
- Mentor designers and video editors by establishing creative standards, review processes, and efficient production systems.
